

Junior Video Editor

Divine Renovation Ministry's mission is to inspire, connect, and equip parishes to be missional.

We walk alongside hundreds of priests, bishops, parishes, and dioceses around the world to equip them to live the Great Commission – to go and make disciples of all nations. Through this work, we are creating a community of disciples who are changing the global Catholic church.

Our team is optimistic, professional, results-oriented, and faith-filled.

The **Junior Video Editor** role is a remote, summer-student position. The successful candidate will work 35 hours per week with the Media Director on our digital media projects. This includes assisting in the preparation of projects, video editing, assisting with media management, and creating social media video content.

Qualifications & Attributes

Our team works fast, so this role requires an energetic, organized individual who can take direction and work independently. Our team is passionate about parish renewal, and candidates must have a genuine desire to fully support the DR team towards that goal.

Candidates must be:

- permanent residents of Nova Scotia (or have resided in the province for at least six months prior to this work opportunity)
- enrolled in full-time studies in an accredited university or college program, and starting or returning to school in the Fall 2023
- studying Video Production, Applied Media & Communication Arts, Radio Television Journalism, Screen Arts, Media Arts, or Fine Arts with a major or minor in Film
- looking for 8-14 weeks of work this summer

Preference will be given to candidates local to the Halifax Regional Municipality (HRM) if they have their own computer system — but a system can also be provided. Non-Halifax-based applicants must have their own system capable of running our license of Adobe Premiere. Preference will also be given to those who are familiar with the Adobe suite of products; however, experience with another video editing software will suffice. This is a remote-working position with support and team contact through Microsoft Teams.

To apply for this opportunity, please send your resume, cover letter describing why this opportunity is right for you, and any relevant work samples to resume@divinerenovation.org by **April 26th**.
